12. Halaman User (Admin)

The wireframe shows a web application interface for an admin user. At the top, there is a navigation bar with a logo 'Fischsim' and a menu with links: Dashboard, Target, Attribute, Campaign, Approval, and Course. A 'User' button is located in the top right corner. The main content area features a modal titled 'Update User'. This modal contains four input fields: 'First Name', 'Last Name', 'Email', and 'Phone Number'. Below these fields is a checkbox labeled 'Verified User?'. At the bottom of the modal are two buttons: 'Close' and 'Update'. A 'Footer' section is located at the very bottom of the page.

Gambar 49. Rancangan Tampilan Halaman *User*

The wireframe displays the 'Admin User' page. It includes the same top navigation bar as Gambar 49. Below the navigation bar, the page title 'Admin User' is shown. There are two dropdown menus for 'Status' and 'Company'. A 'Show' dropdown is set to '5', and a 'Search...' input field is present. The main content is a table with the following columns: First Name, Last Name, company, verify, Email, and Action. The table contains five rows of user data. Each row has 'Update' and 'Delete' buttons in the Action column. At the bottom of the table, it says 'Showing 1 - 5 of 15'. A pagination control shows '< 1 2 3 >'. A 'Footer' section is at the bottom of the page.
